Dear Mr. Hennessey:

The Department has completed its review of the above referenced document pursuant to the Savannah River Site Federal Facility Agreement. The attached comments were generated as a result of this review. These comments must be addressed prior to final approval of the above referenced document. As specified in Section XXII, Review/Comment on Documents, the appropriate technical staff will be available to participate in a joint DOE/EPA/DHEC comment resolution meeting to discuss these comments, if necessary.

To schedule a meeting to resolve the attached comments or to obtain further information, please contact me at (803) 898-4331.

Sincerely,

**Heather H.  
Cathcart**

Specific Comments

1. Executive Summary, page 3 and Section 2.1, Highlights of Waste Removal Efforts, Operational Closure, and Post Closure Activities for the F- and H-Area Tanks, page 17. The third paragraph of the Executive Summary and the first paragraph in Section 2.1 on page 17 mention a Tank 36F. Tank 36F does not exist. Please correct.
