STATE OF GEORGIA
COUNTY OF RICHMOND

Personally appeared before me, **Stephen Wade**, to me known, who being sworn, deposes and says: That he/she is the authorized agent of GateHouse Media Georgia Holdings, Inc, doing business in said County under the trade name of **The Augusta Chronicle**, a newspaper in said County; That he/she is authorized to make affidavits of publication on behalf of said publisher company: **The Augusta Chronicle**; that said newspaper is of general circulation in said county and in the area adjacent thereto; that he/she has reviewed the regular editions of said newspapers published on:

02/21/2018

and finds that the following advertisement appeared in each of said editions, to-wit:

(deponent)

Sworn to and subscribed before me

This 7th day of March, 2018

Notary Public Richmond County, Georgia.

PUBLIC NOTICE:
FINDING OF NO SIGNIFICANT IMPACT FOR THE FINAL ENVIRONMENTAL ASSESSMENT (EA) FOR THE ACCEPTANCE AND DISPOSITION OF SPENT NUCLEAR FUEL CONTAINING U.S.-ORIGIN HIGHLY ENRICHED URANIUM FROM THE FEDERAL REPUBLIC OF GERMANY
Issued By: United States Department of Energy
Action: Finding of No Significant Impact (FONSI)
Summary: The Department of Energy (DOE) has completed the Final Environmental Assessment for the Acceptance and Disposition of Spent Nuclear Fuel Containing U.S.-Origin Highly Enriched Uranium from the Federal Republic of Germany (DOE/EA-1977) (Spent Nuclear Fuel from Germany EA). DOE prepared this Spent Nuclear Fuel from Germany EA to evaluate potential environmental impacts of the receipt, storage, processing and disposition of certain spent nuclear fuel (SNF) from a research and development program of the Federal Republic of Germany (Germany). DOE is considering the feasibility of accepting this SNF containing U.S.-origin highly enriched uranium (HEU) at DOE's Savannah River Site (SRS) for processing and disposition. Based on the analysis in the Spent Nuclear Fuel from Germany EA, DOE has determined that the proposed action is not a major Federal action significantly affecting the quality of the environment within the context of the National Environmental Policy Act (NEPA), and thus does not require the preparation of an environmental impact statement. This Finding of No Significant Impact (FONSI) does not constitute a decision to select any alternative, and it is not a decision to proceed with the project.
CONTACT INFORMATION AND DOCUMENT AVAILABILITY:
This FONSI and the Spent Nuclear Fuel from Germany EA are available on the DOE NEPA website at <http://energy.gov/node/918> and also at the SRS website at: <http://www.srs.gov/general/pubs/envvb/ul/nepa1.htm>.
