Dear Mr. Hennessey:

The South Carolina Department of Health and Environmental Control (SCDHEC) has reviewed the referenced document with respect to the Memorandum of Agreement for Achieving an Accelerated Cleanup Vision for the Savannah River Site (SRS).

The Department believes the facility remnants pose no threat to human health or the environment and agrees that the site should be added to the Federal Facility Agreement (FFA) Appendix K.2, D&D Facilities (or remnants) that Require No Further Evaluation.

If you have any questions, please contact Leigh Beatty at 803-642-1637 or via e-mail at [beattykl@dhec.sc.gov](mailto:beattykl@dhec.sc.gov).

Sincerely,
