Savannah River Operations Office
P.O. Box A
Aiken, South Carolina 29802

AUG 20 2020

Ms. Susan B. Fulmer, P. G., Manager
Federal Remediation Section
Division of Site Assessment, Remediation and Revitalization
Bureau of Land and Waste Management
South Carolina Department of Health and Environmental Control
2600 Bull Street
Columbia, South Carolina 29201

Mr. Jon Richards
Savannah River Site Remedial Project Manager
Superfund Division
U. S. Environmental Protection Agency, Region 4
61 Forsyth Street, SW
Atlanta, Georgia 30303

Dear Ms. Fulmer and Mr. Richards:

SUBJECT: RFI/RI Work Plan for the Early Construction and Operational Disposal Site N-1 (NBN), Central Shops Scrap Lumber Pile (631-2G), and Building 690-N, Process Heat Exchanger Repair Facility (aka Ford Building) Operable Unit (U) (SRNS-RP-2020-00041, Revision 1, June 2020) (Certified Clean Copy), SEMS Number: 93

In accordance with the terms of the Federal Facility Agreement, the U. S. Department of Energy is submitting the subject documents for your files. The U. S. Environmental Protection Agency (EPA) approved the Revision 1 Redline document on June 25, 2020. The South Carolina Department of Health and Environmental Control (SCDHEC) provided conditional approval of the Revision 1 Redline document on July 17, 2020 predicated on an editorial clarification in identifying the location of Carolina Bay #125 on Figure ES-2 and Figure 2 and ensuring the correct figure numbers are referenced in the text of the Executive Summary, Section 3.1.2.2, and Appendix A. The subject document incorporates SCDHEC's editorial comment.

The effort and time that the SCDHEC and the EPA have given on the subject operable unit are greatly appreciated. Questions from you or your staff may be directed to me at (803) 952-8365.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Hennessey", written over a horizontal line.

Brian T. Hennessey
SRS Remedial Project Manager
Infrastructure and Area Completion Division

AUG 20 2020

Ms. Susan Fulmer
Mr. Jon Richards
