EPA Approval Environmental Compliance and Regulatory Document Handbook (SRNS-RP-2022-00330, Revision 0, June 2023, updated December 2025) (Redline Pages and Clean Copy)

Dear Mr. Baker:

The U.S. Environmental Protection Agency, Region 4 (EPA), has reviewed the updated EC & RDH, dated 12/11/25.

EPA approves this R0 update with the following minor edits: three typographical errors in Figure 1, D&D Facility (Remnant) Reuse/Repurposing Process, that should be addressed, where reuse was spelled "ruse:" "D&D facility (remnant) is viable candidate for **ruse**/repurpose," "D&D facility (remnant) is viable candidate for **ruse**/repurpose," and, "Stop if D&D facility (remnant) is not a candidate for **ru**se/repurpose."

If you have any questions or require additional information, please contact Jon Richards at (404) 431-1340.

Sincerely,

JON RICHARDS
