**AREA COMPLETION PROJECTS**

RE: Decommissioning Project Final Report (DPFR): D-Area Maintenance Building, Building 704-7D (V-PCOR-D-00064, Revision 0, July 12, 2021) and Supporting Documentation (Cover letter dated August 24, 2021)

Dear Mr. Hennessey:

The South Carolina Department of Health and Environmental Control (SCDHEC) has reviewed the referenced document with respect to the Memorandum of Agreement for Achieving an Accelerated Cleanup Vision for the Savannah River Site (SRS). SCDHEC requests that the Department of Energy (DOE) revise the document, as it contains numerous incorrect references to a remaining slab, remaining structure and facility remnant(s).

If you have any questions, please contact Leigh Beatty at 803-642-1637 or via e-mail at [beattykl@dhec.sc.gov](mailto:beattykl@dhec.sc.gov).

Sincerely,

A handwritten signature in dark ink that reads 'Gregory N. O'Quinn'.

Gregory N. O'Quinn, Manager  
Federal Facilities Agreement  
Midlands Aiken Office  
Environmental Affairs
