Specific Comments

1. Section 4.0, Implementation of Land Use Controls, page 6. Please include “monitoring” in the list of land use control activities that USDOE is responsible for at the LTR IOU to be consistent with the first sentence of the last paragraph of Section 1.0.
2. Section 4.5, Warning Signs, page 10. The document states, “Soil contamination signs may also be posted...” Please clarify this sentence to indicate that soil contamination signs will be posted only in applicable areas if this is what the sentence is meant to indicate.
