Dear Mr. Hennessey:

The South Carolina Department of Health and Environmental Control (SCDHEC) has reviewed the referenced document with respect to the Memorandum of Agreement for Achieving an Accelerated Cleanup Vision for the Savannah River Site (SRS). No facility remnants remain at the former site location. The Department agrees that the facility should be added to the Federal Facility Agreement (FFA) Appendix K.2, D&D Facilities (or remnants) that Require No Further Evaluation.

If you have any questions, please contact Leigh Beatty at 803-642-1637 or via e-mail at beattykl@dhec.sc.gov.

Sincerely,
