Dear Ms. Fulmer and Mr. Richards:

**SUBJECT:** Federal Facility Agreement Annual Progress Report for Fiscal Year 2017 (SRNS-RP-2017-00688, November 2017)

In accordance with the terms of Section XXV, Reporting, of the Federal Facility Agreement (FFA) for the Savannah River Site (SRS), the U. S. Department of Energy is submitting the subject information for your files. This year's report summarizes information for major Area Completion Project activities for Fiscal Year (FY) 2017 and work planned for FY2018. In addition to the requirements set forth in the FFA, this document also contains the certification for those units utilizing land use controls (LUCs) as a remedy or part of a remedy, as stipulated in the LUC Assurance Plan for the SRS. The effort and time that the U. S. Environmental Protection Agency and South Carolina Department of Health and Environmental Control have given on the subject document are greatly appreciated.

Questions from you or your staff may be directed to me at (803) 952-8365.

Sincerely,

Brian T. Hennessey
