Dear Mr. Hennessey:

The South Carolina Department of Health and Environmental Control (SCDHEC) has reviewed the referenced document with respect to the Memorandum of Agreement for Achieving an Accelerated Cleanup Vision for the Savannah River Site (SRS). The Department believes that the facility remnants (614-1A, -1D, -F) and the footprint of the former location of the Equipment Shed pose no threat to human health or the environment. The Department also agrees that the sites should be added to the Federal Facility Agreement (FFA) Appendix K.2, D&D Facilities (or remnants) that Require No Further Evaluation.

If you have any questions, please contact Leigh Beatty at 803-642-1637 or via e-mail at [beattykl@dhec.sc.gov](mailto:beattykl@dhec.sc.gov).

Sincerely,

A handwritten signature in dark ink that reads "Gregg O'Quinn".
