Dear Ms. Fulmer and Mr. Richards:

The U. S. Department of Energy (DOE) is submitting the subject document for your review according to the agreed upon protocol and the Memorandum of Agreement for Achieving an Accelerated Cleanup Vision for the Savannah River Site. The D-Area Coal Handling Houses and Associated Facilities were decommissioned using the Simple Model. The U. S. Environmental Protection Agency (EPA) and South Carolina Department of Health and Environmental Control (SCDHEC) provided concurrence on the use of the Simple Model in their letters dated January 5, 2022 and January 14, 2022, respectively. Per the subject document, the facility remnants will be added to Appendix K.2 of the Federal Facility Agreement upon SCDHEC and EPA approval of the subject document.

Hard copies and compact disks are enclosed according to the agreed upon distribution. Please review the enclosed document with the goal of responding within sixty (60) days of receipt. The effort and time that the SCDHEC and EPA have given on the subject facilities are greatly appreciated.
