Each entry in this Administrative Record File contains the following information:

ARF/IRF Catalog Number: A unique number assigned to each document or piece of information. This number appears in the upper right hand corner of the document.
.
Date: The date the document or information was issued.

Document Number: Many of the documents published or produced by SCDHEC, EPA and SRS are assigned unique numbers. If no document number has been assigned, the Catalog Number is used.

Title: The title of the document, or a brief description of the contents.

Author: The person or party responsible for the issuance or writing of the document or information.

Author Affiliation: The organization that the author works for or is affiliated with.

Addressee: In most cases this entry will be blank except if the document is correspondence. The entry in that cas*e* will be the organization(s) to which the Addressee is affiliated.

Appx. No. of Pages: The approximate number of pages the document contains**.**

Classification: The entry will contain one of the two following codes.

U: The information is unclassified and available to the general public for viewing.

CP: The information or document is considered confidential or privileged. The document may contain sensitive information and is not available to the general public. It may be included in an Administrative Record File as it was used to support the decision making, but cannot be made publicly available.

File Type: One of the following codes will be entered in this area:

ARF*:* This document is included in the Administrative Record File.or Administrative Record for the unit. The document is physically located either in hard copy or on cd and is available to the general public for viewing and/or copying.

ARF-BRO: This document is included in the Administrative Record File or Administrative Record for the unit. The document will not be on cd because it is classified or privileged information, protected by copy-right laws, or is publicly available technical literature not generated for the unit at issue (i.e.; an engineering textbook**).**

IRF: This document is provided for information only. It is not used in the decision making process for the unit. It is physically located either in hardcopy or on cd and is available to the general public for viewing and/or copying.

IRF-BRO: This document is listed for information only. It was not used in the decision making process for the unit. It will not be microfilmed because it is protected by copyright laws or is publicly available.

Compact Disk (CD) Number: A typical entry is 101. The document associated with that catalog number is located on that cd in pdf format.
