Dear Ms. Fulmer and Mr. Richards:

SUBJECT: Facility Decommissioning Evaluation for Building 717-3D, D-Area Welding Shop (G-FDE-D-00056, Revision 0, April 27, 2020) Simple Model

The U. S. Department of Energy (DOE) is submitting the subject Facility Decommissioning Evaluation (FDE) (hard copy and compact disks) for your review according to the Memorandum of Agreement for Achieving an Accelerated Cleanup Vision for the Savannah River Site. The Simple Model is the selected decommissioning model for Building 717-3D and it will be moved from Appendix K.1 to Appendix K.2 of the Federal Facility Agreement upon completion of decommissioning and the approval of the Decommissioning Project Final Report. An overview and walk down are not currently scheduled for the facility. Please contact DOE if your agencies are interested in an overview and field visit.

Please submit your concurrence and/or comments within thirty (30) days of receipt. The effort and time that the South Carolina Department of Health and Environmental Control and U. S. Environmental Protection Agency have given on the subject reports are greatly appreciated.

Questions from you or your staff may be directed to me at (803) 952-8365, or the DOE Federal Project Director, Ms. Karen Adams, at (803) 952-7871.

Sincerely,
