AREA COMPLETION PROJECTS

Dear Mr. Hennessey:

The U.S. Environmental Protection Agency (EPA) has reviewed the Department of Energy, Savannah River (DOE-SRS) Responses to EPA Comments for the Site Decommissioning Project Final Report (DPFR) for Building 454-D, D Area Diesel Fuel Tank, Revision 0, July 14, 2022

EPA approves the above mentioned document and agrees with the SRS proposal that the DOE submittal letter will include the title of the DPFR and will state that the comment responses, once approved, are part of the DPFR by incorporation and the document is thereby approved as per email dated November 15, 2022.

Should you have any questions or concerns, please feel free to call me at on my cell number 404-229-9500.

Sincerely,

Diedre Lloyd
