Specific Comment

1. Section 2.2.4, Additional Data from Independent Analysis, pages 21 and 22, and Figures 32 and 33. The last sentence of page 21, which discusses c-1,2-DCE surface water sampling results, refers to Figure 32 which shows PCE results. Also, the first sentence of page 22 mentions VC surface water results and references Figure 33, which shows c-1,2-DCE results. There is no figure provided that shows VC surface water results. Please correct.
