EPA Approval for Extension Request for the Issuance of the Fifth Five-Year Remedy Review Report for Savannah River Site Operable Units with Engineered Cover Systems (SRNS-RP-2016-00609), Revision 1.1, November 2017, Savannah River Site

Dear Mr. Hennessey,

The U.S. Environmental Protection Agency, Region 4 (EPA), has reviewed the Extension Request. Pursuant to Section XXXI of the Savannah River Site Federal Facility Agreement (FFA), EPA approves the above referenced extension request that was submitted by Department of Energy (DOE) letter, January 10, 2018. Per the extension request, the new submittal date will be March 9, 2018.

Further, EPA acknowledges that granting the extension request for the issuance of the Fifth Five-Year Remedy Review Report for Savannah River Site Operable Units with Engineered Cover Systems will not impact any subsequent milestones.

If you have any questions or require additional information, please contact me at (404) 562-8648.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon Richards".

Jon Richards
