Dear Ms. Fulmer and Mr. Richards:

SUBJECT: Administrative Record File / Information Repository File Annual Indices Update
(SRNS-RP-2017-00736, November 2017)

In accordance with the terms of Section XXXIV, Administrative Record, of the Federal Facility Agreement for the Savannah River Site, the U.S. Department of Energy is submitting the subject information for your review. As agreed in 2010, the information is being submitted on a CD instead of a hard copy due to the volume of information that is now in the Administrative Record File / Information Repository File and the large size of the index. Please review the enclosure and provide your comments or approval within one hundred twenty (120) days of receipt. The effort and time that the U.S. Environmental Protection Agency and South Carolina Department of Health and Environmental Control have given on the subject document are greatly appreciated.

Questions from you or your staff may be directed to me at (803) 952-8365.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brian", with a long horizontal flourish extending to the right.
