**AREA COMPLETION PROJECTS**

Re: Federal Facility Agreement Revision 0 Appendix E, Long-Term Projections for Fiscal Year 2026 (Print Date: 11/04/2025) dated November 13, 2025 and received November 17, 2025.

Dear Mr. Baker:

The South Carolina Department of Environmental Services ("Department") has completed its review of the above referenced Appendix E to the Savannah River Site (SRS) Federal Facility Agreement (FFA).

The positive work completed under the SRS FFA has made this one of the most successful agreements within the Department of Energy complex. While we are aware that ongoing missions will delay completion of cleanup to 2065, the Department continues to expect every effort will be made to maintain progress at the site in a timely manner that is protective of human health and the environment. The Department requests an evaluation be completed in the upcoming year to identify any projects that can be incorporated into the E.1 and E.2 timeframes. Further, the Department encourages the Savannah River Operations Office to seek appropriate funding levels to fully implement Appendix E and accelerate the schedule where possible.

Otherwise, Appendix E for Fiscal Year 2026 is approved as submitted.

If you have any questions, please contact me at (803) 898-4331.

Sincerely,
